Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why the requirement does not apply to the development.

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in [Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 \(as amended\)](#)) would apply?

- Yes
- No

Biodiversity net gain has been introduced as a general condition for planning permission. As set out in [The Environment Act 2021](#): "grants of planning permission in England [are] to be subject to a condition to secure that the biodiversity gain objective is met". Therefore, in England, all planning permissions are generally subject to biodiversity gain rules, unless they are specifically exempt or out of scope.

If you have stated that the biodiversity net gain requirement does not apply to your application you must provide the reason(s) why, and may also need to supply evidence (especially where you believe the application is eligible for the 'de minimis' exemption).

Please add all the reasons why biodiversity net gain does not apply and enter a justification for each one

Reason biodiversity net gain does not apply:

Development subject to the de minimis exemption (development below the threshold)

What best describes the size of your site?:

Under 25 square metres

Please justify the reason why biodiversity net gain does not apply:

Located on public adopted highway tarmacked surface.

Note: Please read the help text for further information why developments may be exempt or not in scope.

Details of the pre-application advice received

6No. potential Communication Hub locations were proposed to Bury Council via the paid Pre-application Advice on 31st March 2023. Taking on board the comments received we have subsequently chosen to proceed with 3No. proposal sites within Bury's retail main centres.

Site 2 Haymarket -

"This site is also within Bury Town Centre Conservation Area on an uncluttered area of pavement. Its siting would again affects views and the setting of the grade II listed Kay Monument at Kay Gardens and a locally listed building, the former George Hotel, 5 Market Street, so would not be supported on heritage protection grounds.

An information board and fingerpost sign exist outside the entrance of the Millgate Centre. The finger post directs people to the key areas/ attractions within the Town Centre. The addition of a Communication Hub orientated at 90 degrees to the information board, along with its siting in the middle of this open pavement, would be seen as an obstruction within the street scene to the detriment of visual amenity and the setting of heritage assets and would obstruct pedestrian flow, to the detriment of highway safety."

These comments have been addressed in our covering letter.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

- Yes
- No

If No, has the permission of the owner or any other person entitled to give permission for the display of an advertisement been obtained?

- Yes
- No

If No, why has permission not been obtained?

Statutory undertakers installing on public adopted highway

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

- Yes
 No

Can you give appropriate notice to all the other owners/agricultural tenants? (Select 'Yes' if there are no other owners/agricultural tenants)

- Yes
 No

Certificate Of Ownership - Certificate B

I certify/ The applicant certifies that:

- I have/The applicant has given the requisite notice to everyone else (as listed below) who, on the day 21 days before the date of this application, was the owner* and/or agricultural tenant** of any part of the land or building to which this application relates; or
 The applicant is the sole owner of all the land or buildings to which this application relates and there are no other owners* and/or agricultural tenants**.

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural tenant" has the meaning given in section 65(8) of the Town and Country Planning Act 1990
