Z Stone Regular Panel

Pre-formed concrete backed panel

45-50mm thick

85kg per m2

Used at heights above 3m

Z Stone Corner Piece

Pre-made corner pieces for external corners

Provides a seamless finish

400x200x220mm

A high strength adhesive specifically formulated for use with the LBS range of Z Stone and Stone Veneer

Formulated with Kevlar fibre and hydrophobic polymer

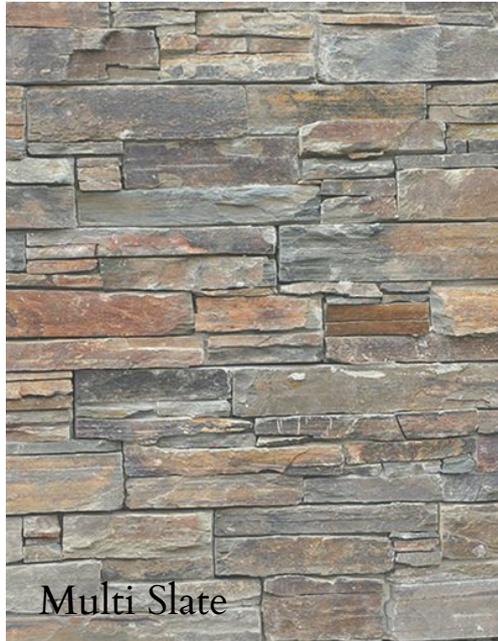

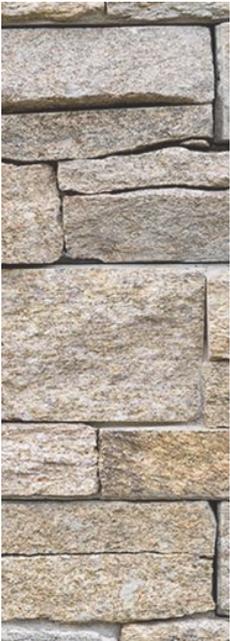

Extensively tested and passes the EN 12004 C2TE standard

This includes demonstrating water-resistance to full "water immersion" & "freeze-thaw" exposure conditions in service

It is critical to use LBS Z Stone adhesive to fit Z Stone and to follow fitting instructions recommended by LBS
