Reference:

Details of the pre-application advice received:

I recently received a pre application enquiry for a detached double garage at the above address. I have viewed the plans and visited the site and regard the proposal as acceptable in principle, where materials would match the host property and the garage would be used for domestic vehicular parking only. However, if an application was forthcoming for the development I would suggest that the redline boundary was reduced and only covered the area to the South of the river due to the dispute with the land to the north.
