Details of the pre-application advice received

Overall, I support the proposal but for a listed building submission we will require much more detail that will include:

- Confirmation and justification of the exact amount of stone replacement and rebuilding that will be required. I am aware some walls have suffered erosion. However, as the building is listed, any demolition and significant rebuilding will require very robust justification. I would suggest this will also require a report by an engineer or heritage specialist to support any such proposal.
- A decent heritage statement will be needed to support the application. This will need to set out the heritage interest of the building, the contributing values and factors that make up the historic significance and a properly weighted / justified impact assessment (see comment above).
- A thorough explanation of all conservation specific materials and methods.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

- ☒ Yes
- ☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
