Dear Sir / Madam,

25/10/2021.

I object most strongly to the total destruction of the Green Belt Area known as M11, farming & agricultural land between Higham, Borough Green, Redbrook, Sawber & Pagmers.

For over a year now, I have had 7 pheasants come into our back garden to feed almost every day, plus 2 small wild rabbits, occasionally, a lovely Red Fox, plus Hedgehogs, & a wide variety of wild birds also, from the farm land behind us.

If the proposed building of 1,700 houses, a school, small shops & community facilities, a New link Road, etc, goes ahead, I am sure we can say "Goodbye" to the amazing wild life we see in our garden each day.

Parnoley Council say they are about "Saving the Environment, Air Quality, Improving life for all the residents bordering site M11," but this plan completely negates that statement, & I for one am bitterly disappointed.
Yours faithfully

DM
