Barnsley Gateway Public Art Commission
Old Mill Lane, Barnsley
154 Collective: Lead Artist Paul Slater

TIN'T TIN TIN (BIRD TOTEM)

The sculpture to be constructed in stainless steel - marine grade 316. The outer structure of 'the birds' to be coated with marine grade paint. The birds are to be 8mm laser cut stainless steel with the legs constructed using 10 and 20mm stainless steel rod. The sculpture is to have a concrete foundation C30 1800 x 1800 x 1000mm depth.

The sculpture is to be located on Old Mill Lane on the corner green space at the junction with County Way. It will be set back from the pavement edge by 1000mm and the top of the foundation is to form a concrete mowing square at its base.

1000 from pavement
