Business Link

Dear Sirs,

Ref: Business Link Yorkshire Support for Kathryn Goldthorpe

I can confirm that Business Link Yorkshire are currently supporting Kathryn Goldthorpe with her new business idea. I, Steven Swann am Kathryn's business adviser and have been working with her to develop an action plan and prepare her to start her new business. Kathryin and her husband are currently developing a business plan but indications show there is a viable business potential. In my opinion, this would lead onto job creation and support to the local community.
Please feel free to contact me for any further information required as I fully support Kathryn with this new enterprise.

Best regards

**Steve Swann**
