Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

This application seeks approval for a minor amendment to the approved construction methodology, specifically the introduction of a concrete kerb at the base of a section of the rebuilt wall. This intervention has been necessitated by the discovery of unsuitable bedrock conditions during excavation works.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Condition to be varied to amend the approved plans to allow the introduction of a concrete kerb as discussed with the Conservation Officer.
