Dear Madam,

Re: Minor Modifications to Approved Single Storey Rear Extension.

At: 94 Hunningley Lane, Stairfoot, Barnsley. S70 3DT.

For: Mr. & Mrs. S. Walker.

Approval No: 2009 / 0942. Approval Date: 14th September 2009.

Please find attached information as listed below being client alterations to the above project for which we require your written acceptance.

The alterations relate to the alteration of the roof construction from the approved "lean to" roof to the attached "hipped roof" as shown. As the existing dwelling and the approved detached garage are also both hipped constructions, we feel that this rear extension would also benefit from this type of construction. Take note the roofing materials will remain as approved.

As these alterations do not increase the original extension / proposals, we believe that you may be able to treat the attached as a minor modification to the original approval.

Information attached as listed below;

Working Drawings.

Dwg. No: 607-02 rev.C

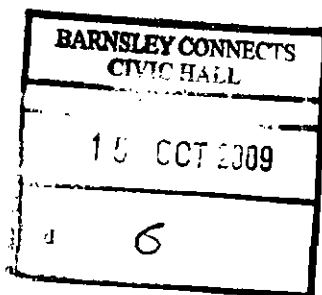

2 copies.

We hope the information attached is to your satisfaction and that you will look favourable on our request, however if you require any further information or clarification, please do not hesitate to contact the writer at the address given.

Yours faithfully,
