

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2019/0467

To T. J. Coates Ltd
2 Unity Hall Court
Haighmoor Road
West Ardsley
Wakefield
WF3 1ED E

Proposal Removal of Condition 4 (relating to permitted development rights) on planning application 2012/0144 (Erection of 1 no. Farm Workers dwelling and formation of 2 no. associated car parking spaces).

At Martins Nest Farm, Grime Lane, Whitley Common, Barnsley, HD9 7TG

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 29 April 2019 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

| 1 | The property is an agricultural workers dwelling, where it is the intention of Local Plan Policy GB4, that the size of the dwelling should be in proportion to the functional need of the business and that it remains available to meet the needs of other farm or forestry workers in the locality if it is no longer needed by the original business, thus avoiding a proliferation of dwellings in the countryside. The proposed removal of condition 4 (relating to permitted development rights) on planning application 2012/0144 would permit significant extensions/outbuildings to the dwelling allowed under permitted development rights, which may result in an extended dwelling which exceeds what is justified by the functional requirement and would affect the continued viability of maintaining the property for its intended use for a rural worker. The removal of condition 4 could also result in development carried out that may have a materially harmful effect upon the rural character of the area and openness of the Green Belt. The proposal is therefore considered contrary to the NPPF and Local Plan Policy GB4. |

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
