NEWTON STREET

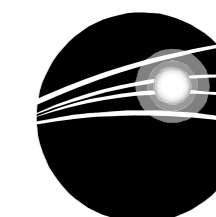

Sound Insulation

All sound insulation between units to comply with building regulations approved robust details.

Sound insulation measures to mitigate any possible external noise pollution from adjacent business's to comply with BS8233. Namely all windows to be triple glazed and each unit to have a ventilation and heat recovery system installed to negate having to open windows.

REV C SOUND INSULATION ADDED 16/01/20
REV B LAYOUT AMENDED 15/12/19
