Agreed to omit wind turbine.
There are no objections to the proposal solar panels. The Conservation Officer has stated that:- 'My view on this is that the indicated PV's on the southern roof slope are no more harmful to the setting of the Cat Hill Hall than the development / erection of the stables was that we approved in 2019 (2019/0631). As such, given the low contribution to the setting this part of the landscape around Cat Hill lends I would not have a problem with the solar panels.'

The highways officer has been consulted and has raised no objections to the proposals.
