SITE LOCATION PLAN 1:1250

Do not scale from this drawing. Architectural Drawings Ltd to be notified of any discrepancies in figure dimensions and between site conditions and drawings.

© This drawing and the works depicted within are the copyright of Architectural Drawings Ltd and for use on this site only. Written permission should be obtained from Architectural Drawings Ltd before reproduction in whole or part.

Before commencement of the works the contractor must check and verify all buildings and site dimensions and levels, all relevant sewer outfalls, water mains and connection points.

This drawing must be used in conjunction with and checked against all structural, specialist and other, local and engineering drawings.

Discrepancies must be reported to Architectural Drawings Ltd.

The contractor must satisfy himself with the adequacy of the site investigation information and should ensure that adequate foundations appropriate to the ground conditions are used for any part of the works.

This drawing should not be relied upon to give information on ground conditions and boundaries.

The Contractor is to carry out the work in compliance with the Building Regulations, relevant Current British Standards
