Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The decision to grant planning permission has been taken having regard to the saved policies and proposals in the Barnsley Unitary Development Plan, the policies and proposals in the Core Strategy and to all relevant material considerations, including Supplementary Planning Guidance/documents:

Core Strategy

Core Strategy Policy CSP 29 sets out the overarching design principles for the borough to ensure that development is appropriate to its context.

Saved UDP Policies

Policy BE6D - Consent to display an advertisement will only be granted where the proposal would not be injurious to amenity by virtue of size, position, location and proliferation, and where appropriate level of illumination, and where the proposal would not be prejudicial to public safety.

SPDs/SPGs

SPD 'Advertisements' states Advertisements should have regard for the design, scale and proportions of the building or site on which they are displayed. The over provision or poor design of signs can give rise to a cluttered and aggressively commercial appearance which will usually have a damaging impact upon the visual character of an area.

This informative is only intended as a summary of the reason for granting planning permission. For further details on the decision please refer to the application file, by contacting 01226 772593.

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

THE STANDARD CONDITIONS

1. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

2. No advertisement shall be sited or displayed so as to:-

   (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);

   (b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or

   (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

3. Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

4. Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

5. Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

NOTES

1. The regulations provide that every grant of express consent shall be for a fixed period which shall not be longer than five years from the date of grant of consent without the approval of the Secretary of State and if no longer period is specified the consent shall have effect as consent for five years.

2. Before an advertisement may be displayed on any land, the permission of the owner or any person entitled to grant such permission must be obtained.

3. A person who displays an advertisement in contravention of the regulations will be liable on summary conviction to a fine of £100 and in the case of a continuing offence to a fine of £5 for each day during which the offence continues after conviction.

4. If the applicant is aggrieved by the decision of the local planning authority to grant consent subject to conditions, the applicant may by notice served within eight weeks of receipt of this notice, appeal to the Secretary of State for the Environment, Transport and Regions in accordance with Regulation 22 of the Town and Country Planning (Control of Advertisements) Regulations 1984. The Secretary of State has power to allow a longer period for the giving of a Notice of Appeal in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the Local Planning Authority in regard to the proposed display are in progress.
