APPLICATION NO. 2019/1542

To Peter Thompson
Architectural Design Consultant
Linwood
Barnsley Road
Dodworth
Barnsley
S75 3JR

DESCRIPTION Demolition of existing building and erection of one pair of semi detached dwellings
LOCATION 8 New Street, Darfield, Barnsley, S73 9LY

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 06 January 2020 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the amended plans (Rev. A) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality in accordance with Local Plan Policy D1 High Quality Design and Place Making.
- 3 Upon commencement of development details of the proposed external materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.
- 4 Prior to the commencement of development plans to show the following levels shall be submitted to and approved by the Local Planning Authority; finished floor levels of all buildings and structures; road levels; existing and finished ground levels. Thereafter the development shall proceed in accordance with the approved details.
Reason: To enable the impact arising from need for any changes in level to be assessed and in accordance with Local Plan Policy D, High Quality Design and Place Making.

- 5 Upon commencement of development a plan indicating the position of boundary treatment(s) to be erected shall be submitted to and approved in writing by the Local Planning Authority. The boundary treatment shall be completed before the dwelling is occupied. Development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property in accordance with Local Plan Policies GD1 General Development Policy and D1 High Quality Design and Place Making.
- 6 No development shall take place unless and until
- (a) Full foul and surface water drainage details have been submitted to and approved in writing by the Local Planning Authority. Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development unless otherwise agreed in writing with the Local Planning Authority.
- (b) Porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways
and
- (c) Calculations based on the results of these porosity tests to prove that adequate land area is available for the construction of the soakaways.
are all approved in writing by the Local Planning Authority
Reason: To ensure the proper drainage of the area in accordance with Local Plan Policy POLL1.
- 7 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Local Plan Policy T4 New Development and Transport Safety.
- 8 The gradient of the vehicle access/driveway shall not exceed 1 in 12 as measured from the edge of adjacent carriageway.
Reason: In the interests of the safety of persons using the access and users of the highway.
- 9 Boundary treatments to the front of the development shall be set at a height no greater than 1m above the level of the near side channel line of the public highway.
Reason: to ensure adequate visibility is retained when leaving the access and entering the highway, in the interests of highway safety.
- 10 The development hereby approved shall not be brought into use until a vehicular crossing over the footpath/verge has been constructed in accordance with a scheme previously approved in writing by the local planning authority.
Reason: To avoid damage to the footway/verge in accordance with Local Plan Policy T4: New Development and Transport Safety.
- 11 Any gates shall be hung so as to open inwards into the site and not out onto the public highway, in the interest of road safety.
Reason: In the Interests of highway safety in accordance with Local plan Policy T4: New Development and Transport Safety.

- 12 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Local Plan Policies GD1 General Development Policy and POLL1 Pollution Control and Protection.
- 13 No piped discharge of surface water from the application site shall take place until works to provide a satisfactory outfall for surface water have been completed in accordance with details to be submitted to and approved in writing by the Local Planning Authority before development commences.
Reason: To ensure that the site is properly drained and surface water is not discharged to the foul sewerage system, which will prevent overloading in accordance with Local Plan Policy POLL1 Pollution Control and Protection.
- 14 The site shall be developed with separate systems of drainage for foul and surface water on and off the site.
Reason: To ensure the site is properly drained and surface water is not discharge to the foul sewerage system in accordance with Local Plan Policy POLL1.
- 15 Visibility splays, having the dimensions 2m x 2m, shall be safeguarded at the junction of the driveways with the adopted highways such that there is no obstruction to visibility and forming part of the adopted highway.
Reason: In the interest of highway safety, in accordance with Local Plan Policy T4 New Development and Transport Safety.
- 16 Within one month of the date of this decision a timetable for the demolition of the existing building shall have been submitted to and agreed in writing with the Local Planning Authority. The timetable shall reflect the need to ensure the building does not deteriorate into a state of disrepair.
Reason: In the interests of visual amenity in accordance with Policy D1.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and*
- up to six months imprisonment on conviction*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

1	The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner. If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.
2	The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. It should also be noted that this site may lie in an area where a current licence exists for underground coal mining. Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority Property specific summary information on past, current and future coal mining activity can be obtained from: www.groundstability.com
3	The development hereby approved includes the creation of/carrying out of alterations to vehicular access (es). You are advised that before undertaking work on the adopted highway you will require a Section 184 licence from the Highway Authority. The works shall be to the specification and constructed to the satisfaction of the Highway Authority. Fees are payable for the approval of the highway details, and inspection of the works. Further information and an application form are available on the BMBC website at https://www.barnsley.gov.uk/services/roads-travel-and-parking/parking/dropped-kerbs/ or please contact at email Streetworks@barnsley.gov.uk or call to 01226 773555.

Joe Jenkinson
Head of Planning and Building Control

Dated 13 March 2020

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
