

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2021/0405

To JR Planning
40 Northern Common
Dronfield Woodhouse
Dronfield
S18 8XJ

Proposal Conversion of building into 2no commercial units at ground floor (Use Class E) and 12no residential flats

At 48 - 50 Sheffield Road, Barnsley, S70 1HS

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 26/03/2021 and described above.

The reasons for the Council's decision to refuse planning permission are:

- 1 In the opinion of the Local Planning Authority, given the position and orientation of the windows, and the ratios/dimensions of the rooms, the proposal would be materially detrimental to the amenities of the future occupants by reason of substandard outlook and natural light, contrary to Local Plan Policy GD1 and the South Yorkshire Residential Design Guide. The position of the windows and the close proximity of a classified road and late-night commercial uses would also negatively impact residential amenity through noise and disturbance. Furthermore, no outdoor amenity space is proposed for the future occupants contrary the requirements of Supplementary Planning Document 'Design of Housing Development'.
- 2 In the opinion of the Local Planning Authority, the proposal would result in the over-development of the building, in that there is insufficient space to provide adequate internal room sizes, ratios and dimensions, contrary to Local Plan Policy GD1, Supplementary Planning Document 'Design of Housing Development' and the South Yorkshire Residential Design Guide.
- 3 The applicant has not submitted sufficient details to enable an adequate assessment to be made in that an Air Quality Monitoring exercise has not been undertaken in order to determine residential exposure fronting onto Sheffield Road to air pollution associated with traffic emissions.

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and*
- up to six months imprisonment on conviction.*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed

Dated 03/09/2021

Joe Jenkinson
Head of Planning and Building Control

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision, then you must do so within six months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
