

NOTES:-

1. All dimensions must be checked on site and not scaled from this drawing.
2. The Contractor shall be responsible for obtaining all necessary permissions and approvals for the proper execution of the proposed works.
3. All levels shown on this drawing are relative to Aged Datum.
4. This drawing is to be read in conjunction with 27988/100 Series Drawings.
5. All existing invert levels are to be confirmed by contractor prior to construction. Connection subject to approval.
