For the attention of Mr G. Northern

21st November 2007

Dear Sirs
Residential Development at Richard Road, Darton.
Application ref 2007/1820

Following the recent telephone conversation between Mr Northern and Robert Agus please find enclosed two copies of revised drawing 06-125-05A.

As requested we have reduced the overall footprint of the proposed buildings and modified the site layout.

We trust this is satisfactory, however please let us know if you require further revisions.

For and on behalf of
The White Agus Partnership
