

## REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2017/1565

**To** JRB Designs Ltd.  
1 Saville Street  
Cudworth  
Barnsley  
S72 8LT

**Proposal** Erection of an annex to provide 2 no. respite care apartments

**At** The Gate, Barnsley Road, Dodworth, Barnsley, S75 3LE

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 17 January 2018 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

*Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.*

1	In the opinion of the Local Planning Authority the proposal would be an unsympathetic form of backland development that would appear incongruous and cramped in the context of the existing building and the surrounding area by virtue of its location, scale, mass and design features. As such the proposal is considered to be of poor design that would fail to improve the character and quality of the area and the way it functions which is contrary to Local Plan Policy GD1, Local Plan Policy D1, the Council's Supplementary Planning Documents (SPD) - Designing New Housing Development and paragraph 127 of the NPPF.
2	In the opinion of the Local Planning Authority the development would significantly reduce privacy levels, outlook and appear overbearing when viewed from the bungalow known as 'Breezeland' located immediately to the south as a result of its siting, scale and the change in levels. The proposal is therefore contrary to Local Plan Policy GD1 and the Council's Supplementary Planning Documents (SPD) - Designing New Housing Development.

Joe Jenkinson  
Head of Planning and Building Control

*Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:*

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction*

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
