| Check all dimensions prior to commencing works or ordering any materials. On no account are any works to be carried out outside the boundary of the site without the express permission of the adjoining owner. | It is your responsibility to check with the relevant authorities where all the services, particularly those outside the property, are located. The Contractor, prior to accepting his quotation for the works, must ensure that he has taken account of the location of all services and any other matters which may affect the safety of the works. |
