COACH & HORSES SHEFFIELD ROAD BARNSLEY

DESCRIPTION

Single storey extension to rear of existing property to form new gents WC block.

DESIGN & ACCESS STATEMENT

DESIGN

The application is for one single storey extension, approximately 5.3m 3.8m. Erecting two new walls against two existing.

The extension would match the design of the existing rear façade.

As for materials, again these would match the existing, using red facing bricks, concrete copings and flat asphalt roof.

ACCESS

Access to the site is not altered in any way; the existing car park to the rear is maintained.
