Dear Madam

**Details of conditions 5 (drainage details), 7 (surface water run off limitation scheme), 19 (piped discharge of surface water), 20 (coal mining legacy issues) of planning permission 2020/0999  
Earthworks to create plateaus for the creation of football pitches and an archery range and associated changing facilities, vehicular access, car parking, drainage works and boundary treatments**

**Land to East of Sheffield Road Hoyland, Barnsley (Parkside)**

I refer to the application to discharge conditions 5 and 7, 9, 19 and 20 of the above referenced planning permission and to the supporting information submitted to discharge the applications:

- VCS Report by PTS reference PTS21335-01
- Sports Facility Proposed Drainage Plan HOYLA-RPS-S P01 I-XX-DR-D-1351
- Appendix D ICP SUDS Mean Annual Flood Data by RPS Group PLC
- Email dated 7 June 2021 from Design Manager, Winvic
- Ground Investigation Report by Applied Geology AG3080D-20-AL24 Report number HOY-AG-VGT-XX-RP-CE-AG3080D-20-AL24

The planning conditions were requested variously by the Highways Drainage Officer, Yorkshire Water, The Coal Authority, and the South Yorkshire Mining Advisory Service when the application 2020/0999 was under consideration.

The submitted documents have now been assessed by the specialist officers and relevant external consultees mentioned above, who have advised that the documents are satisfactory.

I am happy to confirm therefore that **condition 5 7, 19 and 20 can be discharged.**

Yours sincerely

*Elaine Ward*

For and on behalf of:

Joe Jenkinson BA (Hons) MSc

Head of Planning and Building Control
