**PROPOSED WEST ELEVATION**

1:100 @ A1

**Works Key**

1. Elements of existing late-20th century single-storey extensions to be removed where shown.
2. Existing single-storey extension roof to be made good and slate roof coverings replaced.
3. Window and door units installed to new extension, which include dressed sandstone band surrounds and low-profile aluminium window units, featuring double glazing, colour Green Grey (RAL 7009).
4. Existing opening of former glazed lobby to be altered form large glazed window, providing views and visual connections to surround existing trees and landscaping.
5. New two-storey extension to be created, featuring main stairway and lift, providing accessibility for all building users. New slate covered pitched roofs and wall elements to feature buff coloured brickwork and dressed sandstone eaves corbel, to compliment existing sandstone walls.
6. New extension to be situated behind existing primary building-line, in order to appear subservient and not compete with the original building.
7. Existing roof repairs to be carried out where required. All existing rainwater goods to be overhauled and redecorated, painted colour black. Any defective units to be replaced with aluminium units feat. matching ogee profiles. All lead flashing and valley gutters to be checked for damage and repaired / replaced where necessary.
8. Existing sandstone walls to be repaired where necessary using matching stone and defective joints to be re-pointed using matching lime mortar.
9. Existing window cill to be lowered to form new external door opening.
10. All existing window units to be replaced with new low-profile aluminium window units, featuring double glazing, colour Green Grey (RAL 7009).
11. Existing sealed east entrance door opening to be reinstated and new timber framed door unit to be installed, painted finish colour Green Grey (RAL 7009). New metal balustrades and handrails installed to existing steps, colour black.
12. Level threshold to existing door side entrance and new extension.
13. New building signage, details TBA by employer and Architect.

**GENERAL NOTES**
