Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 16 March 2011 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the plans and specifications detailed on drawing TBP-B01-1 Rev A as originally approved on the 24th April 2008 unless prior written consent has been given by the Local Planning Authority to any variation.
Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.

3 No development shall take place until full details of the proposed external materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.

4 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order l995 (or any Order revoking or re-enacting that Order with or without modification) no alterations shall be made to the external appearance of the building without the prior written consent of the Local Planning Authority.
Reason: In the interests of the visual amenities of the locality and in accordance with U.D.P. Policy BE6, Design Standards.

5 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials and type of boundary treatment to be erected. The boundary treatment shall be completed before the building is occupied. Development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property and in accordance with U.D.P. Policy BE6, Design Standards.

6 No development shall take place until details of the foul and surface water drainage have been submitted to and approved in writing by the Local Planning Authority. Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development unless otherwise agreed in writing with the Local Planning Authority.
Reason: To ensure the proper drainage of the area.

7 All on-site vehicular areas shall be hard surfaced and drained in an approved manner prior to the development being brought into use, to prevent mud/debris from being deposited on the public highway.
Reason: In the interests of highway safety

8 The parking/garaging/manoeuvring facilities, indicated on the submitted plan, shall be provided prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: In the interest of road safety.

9 Prior to the commencement of development plans to show the following levels shall be submitted to and approved by the Local Planning Authority; finished floor levels of all buildings and structures; road levels; existing and finished ground levels. Thereafter the development shall proceed in accordance with the approved details.
Reason: To enable the impact arising from need for any changes in level to be assessed and in accordance with UDP Policy BE6, Design

10 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with UDP Policy ES1, Pollution.

Reason(s) for Granting Permission

1 Unique The original application was assessed against the current Development Plan, having full regard to National and Regional policy which has since been published it is not considered that there are any material considerations which would suggest that the extension to the application should not be allowed.

Informative(s)

1 The proposed development lies within a coal mining area. In the circumstances Applicants should take account of any coal mining related hazards to stability in their proposals. Developers must also seek permission from the Authority before undertaking any operations that involves entry into any coal or mines of coal, including coal mine shafts and the implementation of site investigations or other works. Property specific summary information on any past, current or proposed surface and underground coal mining activity to affect the development can be obtained from the Coal Authority. The Coal Authority Mining Reports Service can be contacted on 0845 762 6848 or at www.coal.gov.uk.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
