Dear Mr McHugh

Description: Non material amendment for the addition of a crumblock zone to the entrance of the 3G pitch, size 3 x 6.5m and relocate the maintenance double gates & extend the hard standing relating to 2024/0578 (Construction of a new 3G Artificial Grass Pitch (AGP) with spectator area, goal storage areas, perimeter sports fencing, sports LED lights, maintenance container, link path, 1no. drop off parking space and associated landscaping)

Address: Dorothy Hyman Sports Centre, Snyderdale Road, Cudworth, Barnsley, S72 8LH

Thank you for your recent application for a non-material amendment following the grant of planning permission 2024/0578 for the construction of a new 3G Artificial Grass Pitch (AGP) with spectator area, goal storage areas, perimeter sports fencing, sports LED lights, maintenance container, link path, 1no. drop off parking space and associated landscaping.

The amendment proposed involves;

- The addition of a crumblock zone to the entrance of the 3G pitch (3m x 6.5m)
- Relocation of the maintenance double gates
- Extension to the area of hard standing

The details submitted on the plans (MCA-MUK3149-01 Rev. A, MCA-MUK3149-02 Rev. D, MCA-MUK3149-03 Rev. C, MCA-MUK3149-09 Rev. A & MCA-MUK3149-12) received on 21st February 2025 are acceptable in that the amendments would not unreasonably impact on the amenity of surrounding residents, the character of the area, highway safety and trees and biodiversity. As a result, the proposed non-material amendment is hereby approved. This decision letter only relates to the non-material amendment. It is not a reissue of the original decision notice for application 2024/0578 which still stands. The two documents should be read in conjunction. If you require any further information, please contact me.

Yours sincerely

Matthew Marsden, BA(Hons), MSc
Planning Officer
