The Proposed Building

Please indicate which of the following are involved in your proposal

- A new building
 An extension
 An alteration

Please describe the type of building

Steel Portal Frame Building for storage of hay and straw with concrete apron to front of building for access

Please state the dimensions of the building

Length

30.48

metres

Height to eaves

7.62

metres

Breadth

13.72

metres

Height to ridge

9.46

metres

Please describe the walls and the roof materials and colours

Walls

Materials

concrete panels to 2m
timber Yorkshire boarding above

External colour

grey
brown treated timber fading to grey over time

Roof

Materials

profile steel sheets

External colour

natural grey

Has an agricultural building been constructed on this unit within the last two years?

Yes

No

Would the proposed building be used to house livestock, slurry or sewage sludge?

Yes

No

Would the ground area covered by the proposed building exceed:

- 1,250 square metres (where the agricultural unit is under 5 hectares)

- 1,500 square metres (where the agricultural unit is 5 hectares or more)

Yes

No

NOTE: If the ground area covered exceeds the square metre limit it will not qualify as Permitted Development and an application for Planning Permission will be required.

Has any building, works, pond, plant/machinery, or fishtank been erected within 90 metres of the proposed development within the last two years?

Yes

No

Would the erection, extension, or alteration be carried out on land or a building that is, or is within the curtilage of, a scheduled monument?

Yes

No

The Site

What is the total area of the entire agricultural unit? (1 hectare = 10,000 square metres)

150.0

Scale

Hectares

What is the area of the parcel of land where the development is to be located?

1 or more

Hectares

How long has the land on which the proposed development would be located been in use for agriculture for the purposes of a trade or business?

Years

100

Months

0

Is the proposed development reasonably necessary for the purposes of agriculture?

Yes

No

If yes, please explain why

Large dairy farm milking around 200 Jersey cows to supply Longleys. Self-sufficient in hay and more or less in straw. Not enough building storage to store hay and straw, which has to be stored outside, where much is lost due to spoilage

Is the proposed development designed for the purposes of agriculture?

- Yes
 No

If yes, please explain why

Economical robust materials to withstand the elements and provide ventilation. Open fronted to reduce cost and materials required, and provide easy access and egress. High eaves to provide sufficient stacking height. 15 degree roof pitch for ventilalltion.

Does the proposed development involve any alteration to a dwelling?

- Yes
 No

Is the proposed development more than 25 metres from a metalled part of a trunk or classified road?

- Yes
 No

What is the height of the proposed development?

9.4

Metres

Is the proposed development within 3 kilometres of an aerodrome?

- Yes
 No

Would the proposed development affect an ancient monument, archaeological site or listed building or would it be within a Site of Special Scientific Interest or a local nature reserve?

- Yes
 No

If Yes, please provide details

The site is 120 metres from listed barns, however, the site is not in view of the listed buildings so it does not affect their setting or surrounds. There are large modern agricultural buildings between the site and the listed barns

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

Declaration

I/We hereby apply for Prior Approval: Building for agricultural/forestry use as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed

Ruth Woodcock
