Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The proposed garage is 2.2m high from the highest point of the ground. The maximum height allowed within 2m from the boundary is 2.5m.
We are under this height.
The total height of the proposed garage is under 3m in height as listed as the maximum height for a flat roof.
We therefore consider this as acceptable under permitted development rights.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Please see the attached pdf from the planning portal outlining the constraints of permitted development.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
