

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2013/0524

To Andy Cudworth Architecture
35 Hopwood Street
Barnsley
South Yorkshire
S70 2BS
United Kingdom

DESCRIPTION Erection of 3 no. townhouses.

LOCATION Land adjacent 15 St. Marys Road, Darfield, Barnsley, S73 9LQ

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 16 May 2013 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the amended plans (Nos ASD-1112-1 REVB - received 3rd July 2013) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.
- 3 The dwellings shall achieve a Code Level 3 in accordance with the requirements of the Code for Sustainable Homes: Technical Guide (or such national measure of sustainability for house design that replaces that scheme). No dwelling shall be occupied until a Final Code Certificate has been issued for it certifying that Code Level 3 has been achieved.
Reason: In the interest of sustainable development in accordance with Core Strategy Policy CSP2.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed 
Head of Planning, Building Control and Sustainability

Dated 04 July 2013

- 4 No development shall take place unless and until
- (a) full foul and surface water drainage details, including a scheme to reduce surface water run off by at least 30% and a programme of implementation works have been submitted to and approved in writing by the Local Planning Authority. Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development unless otherwise agreed in writing with the Local Planning Authority.
- (b) porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways
and
- (c) Calculations based on the results of these porosity tests to prove that adequate land area is available for the construction of the soakaways.
are all approved in writing by the Local Planning Authority.
Reason: To ensure the proper drainage of the area.
- 5 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking or re-enacting that Order with or without modification), no enlargement, improvement or other alteration of the dwellings which would otherwise be permitted by Part 1 of Schedule 2 to that Order shall be carried out without the prior written consent of the Local Planning Authority, and no garages or other outbuildings shall be erected.
Reason: In the interests of the visual amenities of the locality and in the interests of residential amenity.
- 6 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the position, height, type and materials of boundary treatment to be erected. The boundary treatment shall be completed before the dwelling is occupied. Development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property in accordance with Core Strategy policy CSP 29.
- 7 No development shall take place until full details of the proposed external materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.
- 8 Pedestrian intervisibility splays, having the dimensions 2m x 2m, shall be safeguarded at any vehicular entrance/exit such that there is no obstruction to visibility at a height exceeding 600mm above the nearside channel level of the adjacent highway.
Reason: In the interest of road safety.
- 9 Sight lines, having the dimensions 2.4m x 33m, shall be safeguarded at any vehicular entrance/exit to the site, such that there is no obstruction to visibility at a height exceeding 1.05m above the nearside channel level of the adjacent highway
Reason: In the interest of road safety.

- 10 The parking/manoeuvring facilities indicated on the approved plan shall be provided prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: In the interests of road safety.
- 11 All surface water run-off shall be collected and disposed of within any site and shall not be allowed to be discharged onto the public highway, in the interest of road safety.
Reason: In the interest of highway safety.
- 12 No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved statement shall be adhered to throughout the construction period. The statement shall provide for:-
- The parking of vehicles of site operatives and visitors.
 - Temporary car park to offset loss of parking to bus turning circle.
 - Means of access for construction/demolition traffic;
 - Loading and unloading of plant and materials;
 - Storage of plant and materials used in constructing the development;
 - Measures to prevent mud/debris being deposited on the public highway
- Reason: In the interests of highway safety.**
- 13 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

- 1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0845 762 6848.

Further information is also available on The Coal Authority website at www.coal.decc.gov.uk

Property specific summary information on past, current and future coal mining activity can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

- 2 The applicant is advised that Condition [insert no 3], relating to the Code for Sustainable Homes, applies specifically to the aspects of the Code not covered by the Building Regulations. The development will therefore need to comply with the standards applicable under the Building Regulations, which may be higher than Code 3 if Building Regulations Approval is obtained from 2013 onwards.

- 3 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

- 4 The developer must contact Mr G Handley - Network Resilience and Asset Management - tel.01226 772026 prior to any work commencing on-site, to gain all necessary technical and legal approvals relating to the creation/alteration/reinstatement and removal of permanent or temporary vehicular access(es) to the highway.
- 5 Under the Building Act 1984, the Council is required to be notified of any demolition exceeding 50 cubic metres carried out within the Borough. This can be done by contacting Mr Ian Wilson - Infrastructure and Design - tel. 01226 772158.
- 6 All waste and recyclable waste containers have to be collected from the kerbside of the public highway; therefore, storage areas should be provided adjacent to the highway. The storage areas should provide sufficient space to allow containers to be left on collection days without obstructing pedestrian or vehicular traffic on the public highway, to the detriment of road safety.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
