Architect & Town Planner
14 Huddersfield Road
Ingbirchworth
Sheffield
S36 7GF

Decision Date:
15 May 2020

APPLICATION NO:	2020/0398
DESCRIPTION:	Change of use of agricultural building to 2 dwellings (Prior Approval Change of Use)
LOCATION:	Bella Vista Farm, Hartcliff Road, Penistone, Barnsley, S36 9FN
APPLICANT:	Michael A Clynch

Prior approval **is granted** for the development described above.

Conditions:

1 Development under Class Q is permitted subject to the condition that development under Class Q(a), and under Class Q(b), must be completed within a period of 3 years starting with the prior approval date
Reason: In order to comply with the provision of Class Q, Part 3, Schedule 2 of the GPDO 2015.

2 The development hereby approved shall be carried out strictly in accordance with the plans (Received 20 March 2020) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.

3 Upon commencement of development details of the proposed external materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.

4 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any Order revoking or re-enacting that Order with or without modification), no enlargement, improvement or other alteration of the dwellings which would otherwise be permitted by Part 1 of Schedule 2 to that Order shall be carried out without the prior written consent of the Local Planning Authority, and no garages or other outbuildings shall be erected.

Reason: To safeguard the openness and visual amenities of the Green Belt in accordance with Local Plan Policy GB1 Protection of Green Belt.

Informative(s)

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. It should also be noted that this site may lie in an area where a current licence exists for underground coal mining.

Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Property specific summary information on past, current and future coal mining activity can be obtained from: www.groundstability.com

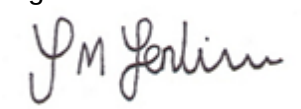

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

3 The granting of planning permission does not effect the status of species such as owls and bats which have protection under other legislation. These may be present, and it is the applicant's responsibility to seek advice on how to avoid damaging operations. Further advice can be obtained from the Countryside Unit in the Planning & Transportation Services, on 01226-772576, or directly from www.naturalengland.org.uk

4 Public rights of way run alongside the proposed development site. Safe public access on the rights of way should remain available at all times, with no obstruction of or encroachment onto the width of the paths, and no building debris, storage of materials or parked vehicles limiting access at any time. Appropriate measures should be taken to protect the public, including fencing if necessary. If safe public access is not possible at any time, a temporary closure should be arranged, providing at least 4 weeks' notice and details of how public access will be managed throughout. If there is any doubt about these requirements, clarification should be sought from the Council. For further information contact publicrightsofway@barnsley.gov.uk.

Signed
