Prior Approval of Proposed Change of Use of Agricultural Building to a Dwellinghouse (Use Class C3), and for Associated Operational Development*

Town and Country Planning Act 1990

Town and Country Planning (General Permitted Development) Order 1995 (as amended)

*Development is not permitted where the proposed change of use would result in more than 3 dwellinghouses that have a cumulative floor space of more than 450 square metres being created within an "established agricultural unit" (which means agricultural land occupied as a unit for the purposes of agriculture on or before 20 March 2013, or for ten years before the date the proposed development will begin). Development is not permitted where the building is listed, the site is or contains a scheduled monument, is located on Article 1(5) land, or in a site of special scientific interest, a safety hazard area or a military explosives storage area.

4. Description of proposal

If the building was not in use immediately before 20th March 2013, what date was it last in use? (DD/MM/YY)

What was the use of the building immediately before 20th March 2013 or the last use before that date?

If the building was brought into use after the 20th March 2013, what date was it brought into use? (DD/MM/YY)

Please provide details of its use since it was brought into use:

Is the site currently occupied under an agricultural tenancy agreement?

Yes ☐ No ☒

If yes, I/we confirm that both parties to that agreement have consented to the change of use:

☐

Please attach written confirmation from the landlord and tenant confirming they both agree to the change of use.

Has an agricultural tenancy agreement been terminated in the year before development is proposed to begin for the purpose of carrying out the change of use?

Yes ☐ No ☒

If yes, I/we confirm that both parties have agreed that the site is no longer required for agricultural use:

☐

Please attach written confirmation from the landlord and tenant confirming they both agree that the site is no longer required for agricultural use.

What is the total number of proposed dwellinghouses that will be developed within the established agricultural unit (including the number of dwellinghouses already developed under Class MB of Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development Order) 1995, as amended by SI 2014/564)?

Please specify (including any floor space that has already changed use to a dwellinghouse under Class MB of Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development Order) 1995, as amended by SI 2014/564):

The cumulative floor area of building which is proposed to change use:

The cumulative area of land within its curtilage which is proposed to change use:

4. Description of proposal (Continued)

Please describe the proposed development, including relevant information on the siting and location of the building:

Conversion of the existing barn to the North of
Cross Royal Farm Farmstead.

The existing barn as shown on the site plan is some 40 metres
from the public highway and sheltered by a high hedge to the North.
The proposed development will not adversely affect the environment
or visual amenity at all.

Please give any relevant information on transport and highways, noise, contamination and flooding risks on site. A flood risk assessment should be provided with the application in Flood Zones 2 and 3, and in Flood Zone 1 where an area which has critical drainage problems has been notified to the Local Planning Authority by the Environment Agency:

There will be no issues with noise, contamination
or flooding risk.
Clear access to the public highway is already in place.

Please give a description of any exterior alterations which are proposed to the building including information of any intended partial demolition reasonably necessary to carry out these works, work involving the installation or replacement of windows, doors, roofs, exterior walls and work involving the installation or replacement of water, drainage, electricity, gas or other services.

Electricity - currently on site
Took water to seaway. Foul water to septic tank.
Exterior walls - natural stone. Door in South elevation
Windows in each gable and South elevation
Roof - artificial stone slate.

5. Checklist

Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required could result in your notification being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted. Please note that as part of this procedure, if any objections are received the Local Planning Authority may require submission of further information at a later date.

All sections of this notification completed in full, dated and signed (typed signature if sent electronically).
