Good afternoon,

If there is no option to use developer funding to support healthcare, we are unsure how the developed could address our concerns.

To note: I have shared the consultation with the following healthcare organisations. Barnsley Hospital NHS Foundation Trust, South West Yorkshire Partnership NHS Foundation Trust and Barnsley Healthcare Federation. It would be helpful if all future consultations could also be shared with these organisations.

I have also shared it with the closest GP practices; Huddersfield Road, Victoria Medical and Woodland Drive.

Kind regards,  
Louise Darwin
