

BARNLSLEY

Metropolitan Borough Council

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2010/1123

To Mr Kevin Kennedy
153 Doncaster Road
Goldthorpe
Rotherham
S63 9JA

Proposal Conversion of existing double garage to kitchen and erection of a single storey front extension to form new double garage
At 6 Mulberry Close, Goldthorpe, Barnsley, S63 9LB

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 14 September 2010 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

- 1 The proposed extension, by reason of its design, scale and position significantly forward of the existing building line would adversely affect the Mulberry Close streetscene by appearing as an unduly dominant and intrusive feature. The proposal is therefore considered to be contrary to the guidance contained in Policy H8E of the Barnsley UPD and SPG4, Extensions to Dwellings and its Annex.
- 2 The proposed extension, as a consequence of its position on the boundary with no. 8 Mulberry Close and the fact it projects 6.9m from the front elevation of the host dwelling, would harm the amenities of the occupiers of no. 8 by overshadowing part of its front garden area and appearing overbearing when viewed from within it. The proposal is also therefore considered to be contrary to Barnsley UDP Policy H8E, Extensions to Dwellings and SPG4.

Signed *Stephen Moralee*

Assistant Director, Planning and Transportation

Dated 28 October 2010

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to refuse permission for the proposed development then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within 12 weeks of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
