REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2019/1097

To MDB Planning
92 North Park Avenue
Leeds
LS8 1HP

Proposal Erection of two pre-fabricated bungalows and provision of associated access and landscaping
At Land at Mallin Croft, Hoyland, Barnsley

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 29 November 2019and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 In the opinion of the Local Planning Authority, the benefits of the proposed scheme for 2no. residential units do not outweigh the loss of a site located within a designated District Centre that has an extant retail permission. The proposal would be contrary to the strategic direction of the Local Plan and more specifically policy TC1 which seeks to improve the role of Hoyland Town Centre given the important role District Centres have in meeting local needs and reducing the need to travel to out of centre locations. It is also contrary to paragraph 85 of the NPPF which states planning decisions should support the role that town centres play at the heart of local communities, by taking a positive approach to their growth, management and adaptation. Furthermore, the applicants have not submitted compelling evidence demonstrating that the site cannot come forward for a town centre use/ development.

2 The proposed development would be contrary to Local Plan Policy D1, the Council's Supplementary Planning Document 'Design of Housing Development' and paragraph 127 of the NPPF in that its design and layout would fail to create a visually attractive development that would harmonise with its surroundings and reflect the development pattern of the area. Furthermore, the proposed 5m acoustic wall would be out of context with the proposed development and result in an overbearing feature to the detriment of visual amenity.

3 In the opinion of the Local Planning Authority, the proposed development, and associated acoustic wall, would be materially detrimental to the amenities of the future occupants of the proposed dwellings by reason of substandard internal spacing, inadequate separation distances and poor levels of light and outlook, contrary to Local Plan Policy GD1 'General Development', Supplementary Planning Document 'Design of Housing Development' and the South Yorkshire Residential Design Guide.

As this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice [reference], if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the

Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him.
