

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2022/0644

To Mr David Watts
Toad Hall Farm
Thurgoland Hall Lane
Thurgoland
Sheffield

DESCRIPTION Erection of silage clamp

LOCATION Toad Hall Farm, Thurgoland Hall Lane, Thurgoland, Sheffield, S35 7BB

Permission is **granted** for the proposals which were the subject of the Application and Plans registered by the Council on 11/10/2022 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the plans (Nos Location Plan, Site Plan, 001 Elevations, 002 Floor Plans) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.

Informative(s)

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

- 1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848.

Further information is also available on The Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

Standing Advice valid from 1st January 2021 until 31st December 2022

- 2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore, the consent of all relevant landowners is required before proceeding with any development, including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent, then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

- 3 The proposed development will require the diversion of one or more public rights of way. Any changes to public rights of way are subject to a separate legal process and public consultations, which must be confirmed before any works take place. Planning permission does not grant permission to build over public rights of way unless this legal process has been satisfied. For more information contact publicrightsofway@barnsley.gov.uk

- 4 The Environment Agency advise that any new silage clamp system should comply with guidance on gov.uk

Storing silage, slurry and agricultural fuel oil -GOV.UK (www.gov.uk)SAFFO Regulations The proposed development must fully comply with the terms of The Water Resources (Control of Pollution) (Silage, Slurry and Agricultural Fuel Oil) (England) (SSAFO) Regulations 2010 and as amended 2013 and in particular follow schedule 1 of SSAFO regs
<https://www.legislation.gov.uk/ukxi/2010/639/contents/madeEnvironmental> good practice advice is available in The Code of Good Agricultural Practice (COGAP) for the protection of water, soil and air (produced by DEFRA).

The applicant is advised to review the existing on-farm slurry and manure storage and ensure compliance with the SSAFO Regulations.

Any agricultural development that will result in an increase in cattle numbers or water usage may adversely impact the storage of waste waters, slurry and other polluting matter. The applicant is advised to review the existing on-farm slurry and manure storage and ensure compliance with the SSAFO Regulations.

You must inform the Environment Agency, verbally (Tel: 03708 506 506) or in writing, of a new, reconstructed or enlarged slurry store, silage clamp or fuel stores at least 14 days before starting any construction work.

The notification must include the type of structure, the proposed design and construction, and once an agreed proposal has been constructed we will ask you to send us a completed WQE4 notification form before you start using the facility. Further guidance Storing silage, slurry and agricultural fuel oil Protecting our Water, Soil and Air: A Code of Good Agricultural Practice for farmers, growers and land managers

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

Signed

Dated 06/12/2022

Joe Jenkinson
Head of Planning, Policy and Building Control

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
