Dear Sir/Madam

**Discharge of condition 7 (contamination) of planning permission
2017/0352 - Outline Application for the erection of 8 dwellings and
associated works (all matters reserved apart from means of access).
Land adjacent Folly Way, Monk Bretton, Barnsley**

I refer to the application to discharge condition 7 and to the supporting information submitted to address condition 7 - report (Ref RGS C417/19/E/625).

Condition 7 was requested at the application stage by the Service Manager (Pollution Control), who is responsible for assessing contaminated land issues.

The letter and report have been assessed by Service Manager (Pollution Control), who has confirmed that the submitted documentation and the findings therein are acceptable.

I am happy to confirm therefore that **condition 7 can be discharged**.

Yours sincerely

Elaine Ward
