

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2013/0382

To Paul Gaughan Building Consultants
Unit E14
Langham Park
Lows Lane
Stanton By Dale
Ilkeston
Derbyshire
DE7 4RJ

DESCRIPTION Demolition of public house and erection of a residential care home. (2010/0305 Extension of time limit)

LOCATION The Kendray Hotel, Birk Avenue, Barnsley, S70 3AH

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 09 April 2013 and described above.

Reason(s) for Granting Permission

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the plans (Nos TO/FO/07/035/10 REV C, TO/FO/07/035/12 REV A, TO/FO/07/035/13 REV A, TO/FO/07/035/14 REV A) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.
- 3 No development shall take place until full details of the proposed external materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed 
Head of Planning, Building Control and Sustainability

Dated 28 June 2013

- 4 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority, full details of both hard and soft landscaping works, including details of the species, positions and planted heights of proposed trees and shrubs; together with details of the position and condition of any existing trees and hedgerows to be retained. The approved hard landscaping details shall be implemented prior to the occupation of the building.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.
- 5 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which die within a period of 5 years from the completion of the development, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with other of similar size and species.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.
- 6 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.
- 7 No development shall take place until:
- (a) Full foul and surface water drainage details, including a scheme to reduce surface water run off by at least 30% and a programme of works for implementation, have been submitted to and approved in writing by the Local Planning Authority;
- (b) Porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways;
- (c) Calculations based on the results of these porosity tests to prove that adequate land area is available for the construction of the soakaways;
- Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development.
Reason: To ensure proper drainage of the area in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.
- 8 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

- 9 No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:
- The parking of vehicles of site operatives and visitors
 - Means of access for construction traffic
 - Loading and unloading of plant and materials
 - Storage of plant and materials used in constructing the development
 - The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate
 - Wheel washing facilities
 - Measures to control the emission of dust and dirt during construction
 - Measures to control noise levels during construction
- Reason: In the interests of highway safety, residential amenity and visual amenity and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement, and CSP 29, Design.**
- 10 Pedestrian intervisibility splays having the dimensions of 2 m by 2 m shall be safeguarded at the drive entrance/exit such that there is no obstruction to vision at a height exceeding 1m above the nearside channel level of the adjacent highway.
- Reason: In the interest of road safety in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.**
- 11 Prior to the occupation of the development a draft Travel Plan shall be submitted to and approved in writing by the Local Planning Authority. The plan shall indicate measures that will be put in place to encourage travel by modes other than the private car, and allow for regular reporting and monitoring to be undertaken. Subsequently, within six months of the site becoming operational, a detailed travel plan shall be submitted to the Local Planning Authority and once approved, it shall be fully implemented and retained as such thereafter.
- Reason: In the interest of promoting use of public transport, in accordance with Core Strategy Policy CSP 25.**
- 12 No hedges or trees on the site (except those shown to be removed on the approved plan), or their branches or roots, shall be lopped, topped, felled, or severed. If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such a size and species, and shall be planted at such time, as may be specified in writing by the Local Planning Authority.
- Reason: To safeguard existing trees/hedges, in the interests of the visual amenities of the locality and in accordance with UDP Policies GS22, Woodland, Hedgerows and Trees and GS22A.**
- 13 Prior to the commencement of development or other operations being undertaken on site in connection with the development, the following documents prepared in accordance with BS5837 (Trees in Relation to Construction 2005: Recommendations) shall be submitted to and approved in writing by the Local Planning Authority:
- Root protection areas (RPA)
Tree protection plan (TPP)
Arboricultural method statement (AMS)
Tree Planting Scheme
- No development or other operations shall take place except in complete accordance with the approved methodologies.
- Reason: To ensure the continued well-being of the trees in the interests of the amenity of the locality.**

- 14 No development shall take place until full details of the boundary treatment along Birk Avenue have been submitted to and approved in writing by the Local Planning. The development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property in accordance with Core Strategy policy CSP 29.
- 15 The building shall achieve a Code Level 4 in accordance with the requirements of the Code for Sustainable Homes: Technical Guide (or such national measure of sustainability for house design that replaces that scheme). The building shall be occupied until a Final Code Certificate has been issued for it certifying that Code Level 4 has been achieved.
Reason: In the interest of sustainable development in accordance with Core Strategy Policy CSP2.
- 16 Prior to commencement of development, details of a scheme to reduce the developments carbon dioxide emissions by at least 15% by using decentralised, renewable or low carbon energy sources or other appropriate design measures shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details and upon completion of the development a report shall be submitted to and approved by the Local Planning Authority demonstrating that at least a 15% reduction in carbon dioxide emissions has been achieved. In the event that the use of other decentralised, renewable or low carbon energy sources or other appropriate design measures are also required to achieve a 15% reduction in carbon dioxide emissions, full details of such proposals and a timetable for their implementation shall be submitted to and approved in writing by the Local Planning Authority prior to installation. The approved details shall be implemented in accordance with the approved timetable and all the approved measures shall be retained as operational thereafter.
Reason: In the interest of sustainable development, in accordance with Core Strategy policy CSP5.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

- 1 The decision to grant planning permission has been taken having regard to the policies and proposals in the adopted Core Strategy and saved policies of the Barnsley Unitary Development Plan set out below and to all relevant material considerations, including Supplementary Planning Guidance:

Core Strategy Policies

CSP2 Sustainable Construction
CSP3 Sustainable Drainage Systems
CSP4 Flood Risk
CSP5 Including renewable Energy in Developments
CSP25 New Development and Sustainable Travel
CSP26 New Development and Highway Improvement
CSP29 Design
CSP40 Pollution Control and Protection

Consultations

This informative is only intended as a summary of the reason for granting planning permission. For further details on the decision please refer to the application file, by contacting 01226 772593.

- 2 The applicant is advised that Condition 15, relating to the Code for Sustainable Homes, applies specifically to the aspects of the Code not covered by the Building Regulations. The development will therefore need to comply with the standards applicable under the Building Regulations, which may be higher than Code 4 if Building Regulations Approval is obtained from 2013 onwards.
- 3 The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from former coal mining activity. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological features (fissures and break lines); mine gas and previous surface mining sites. Although such hazards are seldom readily visible, they can often be present and problems can occur in the future, particularly as a result of development taking place.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required (for example the need for gas protection measures within the foundations), be submitted alongside any subsequent application for Building Regulations approval (if relevant). Your attention is drawn to the Coal Authority policy in relation to new development and mine entries available at www.coal.decc.gov.uk

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on past, current and future coal mining activity can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com

If any of the coal mining features are unexpectedly encountered during development, this should be reported immediately to The Coal Authority on 0845 762 6848. Further information is available on The Coal Authority website www.coal.decc.gov.uk

- 4 Prior to any work commencing on-site please contact Mr G Handley - Highways & Engineering to gain all necessary technical and legal approvals relating to the creation/alteration/reinstatement and removal of permanent or temporary vehicular access(s) to the highway.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
