

TREE CONSULTATION RESPONSE

Application No	2025/0397
Proposal	Crown lift by removing only secondary and tertiary branches Sycamores T60 and T61 to provide 4m clearance over the highway within TPO 13/1996.
Address	Located on land (Title Number: SYK85678) adjacent to the properties on the 'Lakeside View' (LV) estate, near Scout Dyke, Huddersfield Road, Ingbirchworth, Barnsley.
Date of Consultation Reply	05/08/2025
Consultee	Edward Jowett (Tree Officer)

Consultation Assessment and Justification

The two Sycamore trees which are subject to this application for part of a wider group of individually protected trees which are located in a prominent location being clearly visible from Lakeside View, Huddersfield Road and to visitors to Scout Dike reservoir as well as being prominent in the wider area. These trees therefore have high amenity value.

The works proposed are to crown lift the trees to provide sufficient clearance over Lakeside View as at present to canopies do hang low over the road. The crown lifting works will be restricted to secondary and tertiary branches.

The works proposed are appropriate and proportionate to address the issue of clearance over the road. The level of works will not prove detrimental to the trees and as such there is no objection to the proposed works from an arboricultural perspective.

Note: Assessments of tree condition and safety are based on a simple visual inspection from ground level. Comments should not be taken as a definitive assessment of tree health, as this should be carried out by a suitably qualified arboriculturist, possibly including a high level inspection. The applicant should be reminded of the owner's legal responsibilities to ensure that trees are regularly inspected and maintained in a safe condition.

NO OBJECTION*
