Officer name:

Title: Ms First name: RACHAEL Surname: PELL

Reference: PRE-APPLICATION ENQUIRY

Date (DD/MM/YYYY): 20/10/2011 (Must be pre-application submission)

Details of the pre-application advice received:

I can confirm that the proposed extension would require planning permission as the extension projects past the rear elevation of the original dwelling more than 3m and the height to the eaves exceeds 3m and the height to the apex exceeds 4m and as the property is situated within a conservation area, we would condition that the materials and detailing match that of the original dwelling
Conservation areas are valuable in protecting and improving the historical characteristics of an area and in this instance the demolition of 9.5m of the boundary wall to provide off street parking, would have a detrimental impact on the character of the conservation area, contrary to Core Strategy CSP 30 and therefore the local planning authority would not support such an application.
I have discussed the proposal with Tony Wiles, the conservation officer and there are no major concerns with the proposed extension and we could support an application for the proposed extension, however, we would not support the removal of the wall for the length indicated on the plans.
The maximum length of wall we would allow to be removed would be 5m, which includes the garage section of the wall.
In relation to your question regarding the application submission; feel free to submit a joint application; however, should an element be unacceptable we would not be able to issue a split decision, and therefore the application would be refused.

7. Trees and Hedges

Are there any trees or hedges on your own property or on adjoining properties which are within falling distance of your proposed development? ○ Yes ◉ No
