APPLICATION NO. 2009/0350

To Sanderson Weatherall
25 Wellington Street
Leeds
LS1 4WG

DESCRIPTION Erection of extension to Netto store with associated parking, circulation areas and landscaping.

LOCATION Netto Food Store, High Street, Goldthorpe, Rotherham

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 16 March 2009 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out in strict accordance with the amended plans and specifications received March 2009 (Drawing Nos. PL101 Revision D, PL103 Revision D, PL105 Revision B and PL106 Revision B), unless prior written consent has been given by the Local Planning Authority to any minor variation.
Reason: For the avoidance of doubt as amendments have been submitted during the course of processing the application and in accordance with UDP Policy BE6, Design Standards.
- 3 All surface and foul water arising from the site must be collected and diverted away from Network Rail property and all soakaways must be located so as to discharge away from the railway infrastructure.
Reason: To ensure suitable drainage of the site.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed 
Assistant Director, Planning and Transportation

Dated 07 May 2009

- 4 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking or re-enacting that Order with or without modification), no building or structure shall be placed or erected within 3 metres, measured horizontally, of any sewer or culverted watercourse.
Reason: To prevent damage to the existing [sewer, watercourse or culverted watercourse].
- 5 No development shall take place until details of the proposed means of disposal of foul and surface water drainage, including details of any balancing works and off site works, have been submitted to and approved by the Local Planning Authority.
Reason: To ensure that the development can be properly drained
- 6 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority, full details of both hard and soft landscaping works, including details of the species, positions and planted heights of proposed trees and shrubs; together with details of the position and condition of any existing trees and hedgerows to be retained. The approved hard landscaping details shall be implemented prior to the occupation of the building(s).
Reason: In the interests of the visual amenities of the locality.
- 7 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which die within a period of 5 years from the completion of the development, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with other of similar size and species, unless the Local Planning Authority give written consent to any variation.
Reason: In the interests of the visual amenities of the locality.
- 8 Prior to being discharged to any watercourse, surface water sewer or soakaway system, all surface water drainage from parking areas and hardstandings shall be passed through an oil interceptor installed in accordance with a scheme previously submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved scheme. Roof water shall not pass through the interceptor.
Reason: To prevent pollution of the water environment and in accordance with UDP Policy ES3, Water Pollution.
- 9 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials and type of boundary treatment to be erected. The boundary treatment shall be completed before [the use hereby permitted is commenced] or [before the building(s) is/are occupied] or [in accordance with a timetable agreed in writing with the Local Planning Authority]. Development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property and in accordance with U.D.P. Policy BE6, Design Standards.

Informative(s)

- 1 The proposed development lies within a coal mining area. In the circumstances Applicants should take account of any coal mining related hazards to stability in their proposals. Developers must also seek permission from the Authority before undertaking any operations that involves entry into any coal or mines of coal, including coal mine shafts and the implementation of site investigations or other works. Property specific summary information on any past, current or proposed surface and underground coal mining activity to affect the development can be obtained from the Coal Authority. The Coal Authority Mining Reports Service can be contacted on 0845 762 6848 or at www.coal.gov.uk.
- 2 This approval does not grant any consent for the new and additional signage shown on the plans for which separate advertisement consent may be needed

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
