

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2010/0213

To James Totty Partnership
38 Wilkinson Street
Sheffield
South Yorkshire
S10 2GB

DESCRIPTION Alterations and extension to vacant ward unit to form a new community rehabilitation and respite unit with provision for additional on site parking (Resubmission)

LOCATION Mount Vernon Hospital, Mount Vernon Road, Barnsley, S70 4DP

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 02 March 2010 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the plans and specifications as approved (Dwg. No.s 204, 205, 206) unless prior written consent has been given by the Local Planning Authority to any variation.
Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.
- 3 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with UDP Policy ES1, Pollution.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed 
Assistant Director, Planning and Transportation

Dated 03 June 2010

- 4 Before the development is brought into use the part of the site to be used by vehicles shall be laid out in accordance with the approved plan, surfaced in a solid bound material and marked out. Thereafter the area shall be permanently retained for vehicle use.

Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with UDP Policy T2A.

- 5 Prior to the commencement of development or other operations being undertaken on site in connection with the development, the following documents prepared in accordance with BS5837 (Trees in Relation to Construction 2005: Recommendations) shall be submitted to and approved in writing by the Local Planning Authority:

Tree protection plan (TPP)

Arboricultural method statement (AMS)

Details of no-dig construction proposals for areas of car parking including cross-sections and plans showing relevant area.

Tree planting scheme

No development or other operations shall take place except in complete accordance with the approved methodologies.

Reason: To ensure the continued well being of the trees in the interests of the amenity of the locality.

Reason(s) for Granting Permission

- 1 Unique The proposal complies with policy CF1 in that it meets community needs, is convenient and accessible, has adequate car parking and is compatible with adjoining uses.
- 2 Unique The proposals comply with policy BE6 in that the proposal achieves good design standards.

Informative(s)

- 1 The proposed development lies within a coal mining area. In the circumstances Applicants should take account of any coal mining related hazards to stability in their proposals. Developers must also seek permission from the Authority before undertaking any operations that involves entry into any coal or mines of coal, including coal mine shafts and the implementation of site investigations or other works. Property specific summary information on any past, current or proposed surface and underground coal mining activity to affect the development can be obtained from the Coal Authority. The Coal Authority Mining Reports Service can be contacted on 0845 762 6848 or at www.coal.gov.uk.
- 2 The decision to grant planning permission has been taken having regard to the policies and proposals in the Barnsley Unitary Development Plan set out below and to all relevant material considerations, including Supplementary Planning Guidance:

BE6 - The Council will seek to achieve good design standards for all types of development.

Proposals for development will be assessed using the following design criteria:

- A) the quality of layout, and suitability of scale of the development
- B) The use, quality, design and landscape treatment of open land within the site and the area around buildings
- C) The standard of detailed design and facing materials of proposed buildings
- D) The suitability of the whole development for its proposed context and its relationship with adjoining land uses.

Designs which the Council considers unsatisfactory in terms of any of these criteria will be rejected.

CF1 - The provision of community facilities will be encouraged where they meet community needs, are convenient and accessible, have adequate car parking and are compatible with adjoining uses.

T2 - Development will only be allowed if the additional demand for travel generated can be accommodated on the highway network without significant detriment to the environment or the safety and ease of movement of vehicles and pedestrians using the network.

This informative is only intended as a summary of the reason for granting planning permission. For further details on the decision please refer to the application file by contacting 01226 772593.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
