Erect aerial bunched conductor -Hoyland Hill, Barnsley

Particulars of proposed development to be completed by Applicant:

As part of the ongoing improvement works to our overhead electrical network near Hoyland Hill Barnsley it is proposed to erect approx 585m of aerial bunched conductor (wire) upon the existing overhead electric line (see attached photo example). I have attached drawings showing coloured in red the existing section of overhead electric line upon which a new conductor will be erected.
