Details of the pre-application advice received

The planning officer confirmed that a planning application is required for the proposals, two storey extensions are considered on the basis of the extent of overshadowing, loss of privacy and outlook. The advice stated that a roof type that reflects the original roof of the dwelling would be preferred but given that the extension would be towards the rear of the dwelling and away from public viewpoints it may be acceptable in terms of visual amenity

With respect to the Authority, is the applicant and/or agent one of the following:
