

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2023/0278

To Melling Ridgeway and Partners Ltd
24 Hodgson Street
Sheffield
S3 7WQ

Proposal Retention of marquees and outdoor container bar in rear car park

At Crown and Anchor Inn, Barugh Lane, Barugh Green, Barnsley, S75 1LL

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 23/05/2023 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

- 1 The Site lies within the Green Belt, as allocated in the Local Plan, wherein it is the local and national planning policy not to permit new development except in very special circumstances, for purposes other than those set out in paragraph 149 of the NPPF. By their nature, the proposed structures represent inappropriate development, are considered detrimental to the openness and permanence of the Green Belt, as well as comprising of an unattractive and temporary design which is not a character of such areas, with a moderate, yet unsubstantiated case for very special circumstances presented which does not clearly outweigh the harm to the Green Belt. The proposal is therefore contrary to Local Plan Policy GB1: Protection of Green Belt and paragraphs 137, 138, 148 and 149 of the NPPF in that the development would result in urban sprawl and detrimentally impacts the openness and permanence of the Green Belt.
- 2 The proposed development would result in significant noise, general disturbance, and activity within the outdoor area of the public house, with the marquee being rentable to a wide variety of uses until late in the evening, changing the character and scope of the site to somewhat resemble an events venue rather than minor ancillary accommodation for the public house. The site is located within very close proximity of neighbouring residential properties with the submitted information indicating that the proposed use would have an adverse impact on the living conditions and amenity of neighbouring properties, contrary to Local Plan Policy GD1: General Development.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision, then you must do so within six months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
