

PROPOSED LAYOUT

NOTE:
All dimensions and levels are approximate and are to be checked and verified on site.

Details of ground floor construction and foundations are indicative only and are subject to ground conditions and levels.

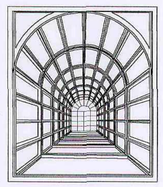

Any Structural Engineer's details and calculations are to be strictly adhered to.

NOTE: Any construction work commencing on site prior to Building Regulation Approval is the responsibility of the Contractor and Client and any remedial work is to be carried out at the expense of the Contractor or Client as appropriate
