INTRODUCTION

This planning statement forms part of the certificate of lawfulness application for permitted development extensions, outbuilding (garage), and garage conversion at Harden Lodge, Dunford Road, Holmfirth, HD9 2RZ.

Before considering the eligibility of this application it's important to note the property still retains the benefit of permitted development rights.

The recent planning approval 2019/0581, granted on 24th January 2020 conditioned the removal of permitted development rights;

4. *Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any Order revoking or re-enacting that Order with or without modification), no enlargement, improvement or other alteration of the dwelling or any existing outbuildings on the site which would otherwise be permitted by Part 1 of Schedule 2 to that Order shall be carried out without the prior written consent of the Local Planning Authority, and no garages or other outbuildings shall be erected.*
