Dear Sirs,

Re: Proposed ATM Installations & Alterations to Petrol Station at: Jet Garage, Burton Road, Monk Bretton, Barnlsey, S71 2PA for Yorkshire Bank

Further to our discussion today, we write to confirm that due to constructional issues, our client is looking at an alternative arrangement to provide 2 no. ATM's on this site.

In lieu of a separate housing with ATM unit(s) as previously approved, our client is considering leaving the current ATM in place & then installing an additional unit adjacent. To demonstrate this proposal, I attach copy of existing drawing 1470-14-1 & latest scheme proposal SK/5. You indicated that planning permission may not be required for such a proposal shown on SK/5 and would ask for your formal confirmation on this – the door adjacent to the 'additional' ATM may have to be repositioned (subject to detail site check).

We trust this is sufficient for your consideration, however should this not be the case would you please contact the writer.

Yours faithfully,

Peter Brotton.

Enc.
