

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2023/0310

To Wood Associates
The Woodshed @ Number 11 Thurstonland
Huddersfield
HD4 6YB

Proposal Erection of one dwelling

At Willow House, New Row Lane, Ingbirchworth, Sheffield, S36 7GG

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 11/07/2023 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

- 1 The site lies within the Green Belt as identified on the approved Barnsley Local Plan wherein Local Plan Policy GB1 reflects national policy guidance restricting new development except in very special circumstances, for purposes other than those set out in paragraphs 154 and 155 of the NPPF. In the opinion of the Local Planning Authority the proposed new dwelling constitutes inappropriate development contrary to policy and would be harmful to the openness of the Green Belt as per NPPF paragraphs 142 and 153. Furthermore, there are insufficient 'very special circumstances' to justify the granting of planning permission in this instance.
- 2 In the opinion of the Local Planning Authority, the siting and design of the proposed dwelling would be out of keeping with the adjacent and nearby Grade II Listed buildings and the proposal would have a harmful impact upon both the setting of the Listed Buildings and the Conservation Area, contrary to policies HE1 and HE3 of the Local Plan.
- 3 In the opinion of the Local Planning Authority, the proposed dwelling would be contrary to Local Plan Policy GD1 and the Council's Supplementary Planning Document 'Design of Housing Development' in that the proposal fails to meet the required external spacing standards set within the SPD and therefore would be materially detrimental to the amenities of the adjacent properties by reason of a loss of privacy and overlooking windows.
- 4 In the opinion of the Local Planning Authority, the proposed dwelling would be contrary to Local Plan Policy BIO1 and the Trees and Hedgerows SPD due to the negative impact on the category A tree T5.

- 5 The proposed development would result in the intensification in use of a substandard route, which fails to meet the Council's recommended standards in terms of width, alignment and visibility. In the opinion of the Local Planning Authority, the proposal would be contrary to Local Plan Policy T4 and would give rise to conditions prejudicial to highway safety.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision, then you must do so within six months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
