Dear Miss Pell,

RE: Detached Garage

At, 2 Cedar Close, Royston

Planning Number 2008/1276

Further to the original refusal of the above and the subsequent resubmission please find enclosed 4 copies of the Fourth revised plans for the project. The size of the garage has been reduced to 6.5m in length and not 6m has recommended because the internal length would only be 5.3m if reduced to 6m which would be insufficient for a large car.

Should you require any further information/clarification or wish to discuss the revised proposals please do not hesitate to contact me.

Yours Sincerely,

Ian J. Mawson
