

BLOCK PLAN

A Block Plan has been enclosed as part of the other Site Plan / Location Plan documents, when an attempt was made to replicate one of these documents to fill this space it was not permitted. After consultation with the Planning Authority they advised I enter a document to allow the application to be accepted and validated.

Please contact Russell Frith on 07967 627 316 / 01506 462 174 if there are any queries.

Thank you
