BARNSLEY
Metropolitan Borough Council

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2013/0454

To Mr Ken Jackson
Skyers House
120 Cemetery Road
Hemingfield
Barnsley
S73 0QH

DESCRIPTION Residential development of 2 no. pairs of semi detached dwellings with associated car parking (Resubmission)
LOCATION Land adjacent 12 Victoria Street, Barnsley.

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 25 April 2013 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the submitted plans (Prepared by Ken Jackson MRICS) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.

3 The walls of the front elevations shall be constructed of coursed squared sandstone similar to the traditional buildings in the locality in terms of colour, general grain size, and type of face dressing. The construction of these buildings shall only take place after a one-metre-square sample panel of stonework showing the pointing and coursing has been constructed on site and the details approved in writing by the local planning authority. The approved panel shall be retained on site until the construction of the building has been completed. Development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality in accordance with Core Strategy policy CSP 30.

Stephen Moralee

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed
Head of Planning, Building Control and Sustainability

Dated 28 May 2013

Development Service **Telephone: 01226 - 772000**
PO Box 604, Barnsley, S70 9FE **Fax: 01226 - 772591**

4 No construction work shall commence until a representative sample of the roofing materials, facing stone and brick has been submitted to, and approved in writing by, the Local Planning Authority, and the development shall proceed in strict accordance with these details as approved.
Reason: In the interests of the visual amenities of the locality in accordance with Core Strategy policy CSP 30.

5 No development or other operations being undertaken on site shall take place until the following document has been submitted to and approved in writing by the Local Planning Authority:
- Tree protection plan
- Tree protective barrier details
- Arboricultural method statement
- Details of no-dig construction proposals for areas of car park and drive including cross-sections and plans showing relevant area.

No development or other operations shall take place except in complete accordance with the approved methodologies.
Reason: To ensure the continued well being of the trees in the interests of the amenity of the locality.

6 The erection of barrier's for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced off in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the Local Planning Authority.
Reason: To safeguard existing trees, in the interest of visual amenity.

7 The dwellings shall achieve a Code Level 3 in accordance with the requirements of the Code for Sustainable Homes: Technical Guide (or such national measure of sustainability for house design that replaces that scheme). No dwelling shall be occupied until a Final Code Certificate has been issued for it certifying that Code Level 3 has been achieved.
Reason: In the interest of sustainable development in accordance with Core Strategy Policy CSP2.

8 No development shall take place until:

(a) Full foul and surface water drainage details, including a scheme to reduce surface water run off by at least 30% and a programme of works for implementation, have been submitted to and approved in writing by the Local Planning Authority:

(b) Porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways;

(c) Calculations based on the results of these porosity tests to prove that adequate land area is available for the construction of the soakaways;

Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development.
Reason: To ensure proper drainage of the area in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

9 Pedestrian intervisibility splays having the dimensions of 2 m by 2 m shall be safeguarded at the drive entrance/exit such that there is no obstruction to vision at a height exceeding 1m above the nearside channel level of the adjacent highway.
Reason: In the interest of road safety in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

10 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

11 No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:

- The parking of vehicles of site operatives and visitors
- Means of access for construction traffic
- Loading and unloading of plant and materials
- Storage of plant and materials used in constructing the development
- The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate
- Wheel washing facilities
- Measures to control the emission of dust and dirt during construction
- Measures to control noise levels during construction

Reason: In the interests of highway safety, residential amenity and visual amenity and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement, and CSP 29, Design.

12 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority, full details of both hard (front boundary treatment) and soft landscaping works, including details of the species, positions and planted heights of proposed trees and shrubs; together with details of the position and condition of any existing trees and hedgerows to be retained. The approved hard landscaping details shall be implemented prior to the occupation of the properties.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

13 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which die within a period of 5 years from the completion of the development, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with other of similar size and species.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

14 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

Reason(s) for Granting Permission

1	The proposal presents itself as sustainable redevelopment of a brownfield site which would provide 4 good quality homes. Residential use represents a more appropriate use of the site, and the Character and setting of the Conservation Area would be enhanced as a result of the consideration which has been given to the detail of the properties design.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1	The decision to grant planning permission has been taken having regard to the policies and proposals in the adopted Core Strategy and saved policies of the Barnsley Unitary Development Plan set out below and to all relevant material considerations, including Supplementary Planning Guidance: Core Strategy Polices CSP2 'Sustainable Construction' CSP4 'Flood Risk' CSP10 'The Distribution of New Homes' CSP26 'New Development and Highway Improvement' CSP29 'Design' CSP 30 'The Historic Environment' Saved UDP Policies H4 'Development on Housing Sites' H8A 'Existing Residential Areas' SPDs/SPGs 'Designing New Residential Development' 'Parking' 'South Yorkshire Residential Design Guide' NPPF General principles para's 17 Delivering a wide choice of high quality homes para's 47 - 55 Design paragraph 58 The Historic Environment para's 131, 132 & 137 This informative is only intended as a summary of the reason for granting planning permission. For further details on the decision please refer to the application file, by contacting 01226 772593.
2	The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner. If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.
3	The granting of planning permission does not effect the status of species such as owls and bats which have protection under other legislation. These may be present, and it is the applicant's responsibility to seek advice on how to avoid damaging operations. Further advice can be obtained from the Countryside Unit in the Planning & Transportation Services, on 01226-772576, or directly from www.naturalengland.org.uk

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
